

# Triston Lloyd

---

## Career Objective

I am searching for a job that will allow me to use my knowledge with computers, and use the skills that I have learned over the past years. I have excellent problem solving skills and a great work ethic, no stranger to working long hours to complete a task.

## Technical Skills

- Knowledge of C, C#, Python, Java, SQL, JavaScript, Oracle, bash, Cmd and Powershell
- Web development skills with HTML, JavaScript, CSS, Nodejs , Vue3, and Azure
- Familiar with windows, Linux, and mac
- Working with teams closely to effectively complete tasks and solve problems
- Development skills for iOS and android
- Knowledge in project development and planning
- Azure cloud hosting knowledge
- Customer relations experience
- Database management and API knowledge

## Work Experience

- Restoration Technician, Century West Disaster Restoration, Regina, SK – 2019-Present

## Education

- Saskatchewan Polytechnic – Computer Systems Technology Diploma – Graduation June 2024
- Winston Knoll Collegiate - Grade 12
